

QUALITY POLICY

The Top Management of Cascade Sales and Distribution Pty Ltd, shall demonstrate leadership and commitment with respect to customer focus by ensuring that we and our employees commit ourselves to the following:

- We aim to be the most, cost effective manufacturer of Stainless-Steel Repair Clamps for water pipes, at the highest possible quality, in the safest possible manner.
- We aim to do the above at the highest possible service delivery level to our customers.
- To regard our customers, suppliers, and employees as partners in our business.
- To ensure long term relationships through cooperation, constructive interaction, transparency, integrity, and mutual respect among all parties.
- To comply with the requirements of the latest ISO 9001 International Standard and Occupational Health and Safety regulations and any other applicable standards, statutory or regulatory requirements.
- To continually improve the effectiveness of our Quality Management System through objectives, targets, and action plans
